

KANSAS WIND ENERGY COMPANIES			
Company/Organization	Description	City	State
Wind Farm Developers/Services			
Alltite	Wind farm construction – tools/bolts	Wichita	KS
BTI Wind Energy	Small/community wind developer	Greensburg	KS
EDP Renewables	Wind farm developer – branch office	Overland Park	KS
Renewable Concepts	Wind farm construction	Altoona	KS
Siemens Energy	Wind turbine service center/distribution	Wichita	KS
Tradewind Energy	Wind farm developer - headquarters	Lenexa	KS
Transportation Partners & Logistics LLC (TP&L)	Wind component distribution services - off-load/laydown yard	Garden City	KS
Upwind Solutions	Wind turbine maintenance & repair	Lenexa	KS
Vestas Services	Wind turbine services	Salina	KS
Manufacturing Companies			
AH Industries	HQ/Logistics for wind turbine components	Lenexa	KS
Carlson Company	Components for wind turbines	Wichita	KS
Draka/Prysmian	Cables and connectors for wind turbines and towers	Hutchinson	KS
Enertech	Small wind turbine refurbishment and manufacturing	Newton	KS
Fuchs Lubritech	Lubricants for wind turbines mfg.	Kansas City	KS
JR Custom	Components for wind turbines	Wichita	KS
Jupiter Kansas	Components for wind turbines and blades	Junction City	KS

New Millennium Wind Energy	Small vertical wind turbine (under development)	Newton	KS
Schuff Steel	Wind turbine tower (under development)	Ottawa	KS
Siemens Energy	Wind turbine nacelles and hubs	Hutchinson	KS
Tindall Corporation	Wind turbine tower (under development)	Newton	KS
West Wind Energy	Small wind turbine refurbishment	Otis	KS
Würth Service Supply	Specialty hardware & industrial products for wind turbines	Wichita	KS
Research & Educational Institutions			
Cloud County Community College	Wind technician training program	Concordia	KS
ITC Great Plains	Building a transmission superhighway in Kansas	Topeka	KS
Johnson County Community College	Education – Sustainability and solar energy program	Overland Park	KS
Kansas State University	Education – Kansas Wind Applications Center	Manhattan	KS
Pinnacle Career Institute	Wind technician training program	Lawrence	KS
University of Kansas	Education – Biofuels and solar research	Lawrence	KS
Wichita State University	Education – Wind energy research	Wichita	KS
Engineering/Architecture/Consulting Services			
Black & Veatch	Engineering	Overland Park	KS
Davidson-Brown	Architecture	Lenexa	KS
DAR Corporation	Engineering firm, wind turbine design & testing	Lawrence	KS
DLR Group	Engineering	Overland Park	KS

GBA	Engineering	Lenexa	KS
Olsson Associates	Engineering	Overland Park	KS
PGAV Architects	Architecture	Westwood	KS
Shafer, Kline & Warren, Inc.	Engineering	Lenexa	KS
Terracon Consultants, Inc.	Engineering	Olathe	KS
Treanor Architects P.A.	Architecture	Lawrence	KS
URS Corporation	Engineering	Overland Park	KS
Wetzel Engineering, Inc.	Engineering/consultant	Lawrence	KS
Construction/Contractor			
Ash Grove Cement	Construction/contractor	Overland Park	KS
Dayton Superior	Concrete/construction	Kansas City	KS
Design/Reps/Dealers for Small Wind & Solar			
Blue Sky Wind & Solar	Rep for solar and small wind	Lawrence	KS
Cromwell Environmental	Design & install passive and active solar systems and wind turbines	Lawrence	KS
Decent Energy Inc.	Solar installer/dealer	Leawood	KS
Santa Fe Wind & Solar	Rep for solar water heaters and small wind turbines	Gardner	KS
Smalley Energy	Rep for solar and small wind	Topeka	KS
Utilities			
KCP&L	Utility – wind farm operator	Spearville	KS
Westar Energy	Utility – wind farm operator	Topeka	KS
